

MONTEAGLE SUNDAY SCHOOL ASSEMBLY

· A CHAUTAUQUA EST. 1882 ·

May 27, 2021

The Monteagle Sunday School Assembly Board of Trustees strongly encourage all who are eligible for COVID-19 vaccinations to get one. Vaccines are our path to a healthy season and are central to our return to normal activities.

The 2021 season will look much like previous seasons-

- No masks are required, although those who wish to wear masks are encouraged to do so.
- Worship services will return to Warren Chapel. There will be adequate seating and sound outside for those who wish to socially distance.
- Lectures will be held in the Auditorium to provide the ability to socially distance and see video presentations.
- Some size restrictions have been increased for workshops based on the presenters' preferences.
- Harton Hall will return to full service and capacity.
- The pool and morning exercise programs will operate without restrictions.
- Youth activities will follow normal schedules with some restrictions.
