From the President: Next Stop—Tour de France?

Last Saturday if you happened to be in the valley on the back roads of Cowan, you would likely have heard the laughter of 22 eager, adventurous Assembly folks as we embarked on the adult adventure 25-mile bike ride!

As they say, "it takes a village" ... under the careful leadership of Woody Deutsch of Woody's bicycles in Sewanee and the incredible organization of Camille and Norman Blake, along with Aidan Smith driving the scout car, this group of individuals made for a perfect day! A huge thank you to these four for attending to every detail from the route, the equipment, and the wonderful food from the Mountain Goat Market!

Whether you were an expert cyclist or had not ridden a bicycle since you were heading to games as a child, everyone had a ball! We saw corn and soybeans and some of the most beautiful farmland in Tennessee, but it was the camaraderie among the group that made for a very special outing!

While there were probably varying degrees of sore muscles, it was worth it to hear the stories and jokes and an abundance of laughter all along the way!

John F Kennedy said it best when he said, "Nothing compares to the simple pleasure of riding a bike!"

See you next year on your bike!

— *Barry Moody, President*

Outreach Sunday—July 22

The Outreach Committee has designated the offering funds collected on Sunday, July 22nd to go to South Cumberland Community Fund.

South Cumberland Community Fund was established in January of 2012 with the Monteagle Sunday School Assembly providing the founding donation. The Outreach Committee believes that the SCCF is growing and contributing to the community consistent to their mission. By supporting SCCF, we are able to reach our greater community with more breadth and depth than we could do on our own.

Mission Statement: The mission of South Cumberland Community Fund is to improve the quality of life across the plateau by increasing philanthropic giving and providing community leadership to:

- Build on the strength of the area's people, communities and natural setting,
- Enhance community capacity and collaboration, and
- Support innovative ways to solve community problems.

Please join us in donating to SCCF through Outreach Sunday giving. If you're unable to attend Sunday service on the 22nd, you can donate online or drop off a check made payable to MSSA with Outreach Sunday in the memo line.

‘We are so lucky to be here.’

After helping to shepherd 2,000 girls through the tumultuous years of high school as dean of students at Harpeth Hall for 20 years, Marie Maxwell says with complete seriousness that selling 30 of her paintings at the Woman’s Association Bazaar last year was “one of the most exciting things in my life.” But to hear the Maxwell family’s story of the years coming to the Assembly, it quickly becomes clear that much about being in Monteagle feels exciting to this family.

Several decades ago, Marie made her first trip to MSSA with a high school sorority, staying at Camelot and listening to a “combo” (band) in the Gymnasium. She came many years to stay at Green Gables with her good friend Margie Martin, whose family seems inextricably part of the Maxwell family story as well.

Once Marie and her husband, Porter, started bringing their kids, they eventually decided to start renting a cottage for their customary two-week stay in Monteagle. She counted once and determined they’d stayed in 35 different cottages, but they’ve recently settled on Heaven Can Wait, where they’ve stayed in recent years.

Although the Maxwell kids and grandkids tend to come and go during the two weeks Marie and Porter are here, the family all gathers once during that time for what is the pinnacle moment of their summer—perhaps even their year: The family talent show.

While they’ve never made it to the All-Assembly Talent Show, this family has managed to put together a family talent show for 15 years running. There is really just one rule: Everyone must perform *something*. The grandkids who are more shy “just blossom” as they come up with their talents. One of her grandkids made a painting once and her talent was just holding it up.

While Marie says it’s pretty easy for the kids to come up with talent, it has gotten much harder to keep that tradition going for the adults. She says she and Porter have performed talents such as ballroom dancing, card tricks (that was Porter), and this year, she’s going to perform a song with her 12-year-old grandson.

Once everyone has performed, the audience votes to award prizes. Performers attend for free; spectators pay a nominal fee (10 cents). Everyone eats dinner and dessert and generally enjoys each other. The Martin family often joins in.

What brings this family back to Monteagle summer after summer? Marie remembers a speaker once saying about the Assembly: “You see little pools of stress on the ground as you come in the front gate.” She describes MSSA as heavenly, that there’s never been another place to vacation where you want to go to church. The generations of families enjoying time together makes the Assembly particularly special.

“These are my favorite two weeks of the year,” she says. “You just can’t explain it to anyone.”

Raleigh, Porter, Marie, and Witt Maxwell prepare for the family’s talent show. Will they win top prize?

Safety First

The MSSA security team is at your service. If you have any emergency--medical or otherwise--call 911, but our seasoned team is here to help for non-emergency situations. If you have a safety issue or see suspicious activity anywhere on the grounds or at the Point, don't hesitate to call (931) 607-8615 after 5 pm or call the office during business hours. There are no silly concerns--it's better to call and quell your fears than to let something go because you are afraid of a false alarm.

Consider putting the security number by your home phone and/or plugging it into your cell phones.

Kids got cell phones? Plug the security number in those too.

Together we'll keep MSSA the safe haven it is!

Morton Memorial UMC Annual Fish Fry

Tickets are \$12 for adults and \$6 for children. Please join us for fried fish, french fries, hushpuppies, cole slaw, tea/water, and the most wonderful desserts to top it off. Take-out is also available.

All the proceeds go toward our community outreach programs, such as Tools 4 Schools and Christmas on the Mountain.

Call the church office at (931) 924-2192 if you need further information or have questions.

Don't Miss Sundays at the Chapel

Each week, clergy from different denominations lead our services, so participants can enjoy a variety of ministries. All of these services are held in Warren Chapel, one of our most iconic structures, and many people will tell you that there is nothing like sitting in our beautiful chapel in the gloaming of a summer evening and hearing the crickets and birds as the day draws to a close. It is the perfect time for reflection and a reenergizing of our spiritual selves.

Please arrive in time to be seated at least 10 minutes before the start of service. As you might imagine, late arrivals are somewhat disruptive. Also, the last row on the right as you enter is reserved for our youth participants at Sunday services.

— Greg Maloof, Chancellor of Warren Chapel

Lynne Tolley from Jack Daniel's shares her considerable expertise on whiskey tasting on Winfield Porch.

Susie Elder draws inspiration from the Mall gazebo during the Kim Barrick oil painting class last week.

The Monteagle Sunday School Assembly was organized by Charter issued by the State of Tennessee on October 4, 1882 for the purpose of: *"... the advancement of science, literary attainment, Sunday School interests, and the promotion of the broadest popular culture in the interest of Christianity without regard to sect or denomination."*

The Mission of the Monteagle Sunday School Assembly is to be a welcoming community of Christian faith where people gather to engage in spiritual growth and renewal, lifelong inquiry and learning, recreational and cultural enrichment, while being good stewards of our natural resources and our Assembly heritage.
