## FROM THE SMITH-BOETH MONARCH WAYSTATION

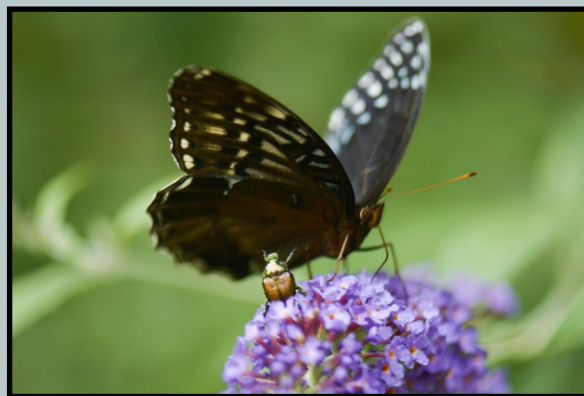

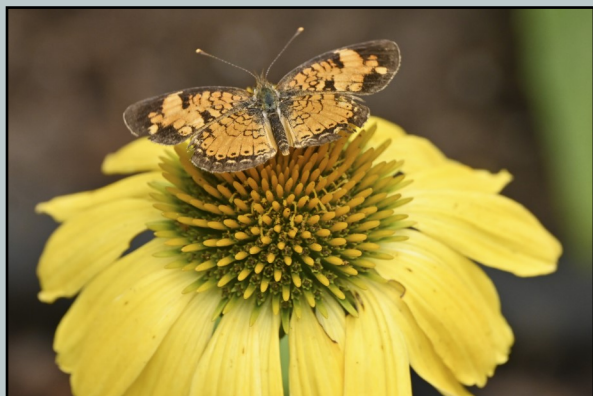

### TAM, A FEMALE BLACK SWALLOWTAIL, IS BORN!

Tam, formerly known as Tom, was born in the garden last week, closing out this cycle of Black Swallowtail excitement. In the photo, a shaft of sunlight is illuminating the empty chrysalis next to her from which she had emerged moments before.

Late July is the time when the Monarchs migrating south lay their eggs for the next brood that will pick up the journey towards their wintering spot in Mexico. We have been swarmed with many Eastern Tiger Swallowtails, Spicebush Swallowtails, and Silver-Spotted Skippers, but so far we have not had any more Monarchs. Next week we hope to report good news.

Amusingly, we had an insect faceoff between a female Diana Fritillary and a Japanese beetle on the Butterfly Bush. The beetle, which rightfully was there first, took umbrage to the butterfly landing on what it seemingly thought to be its personal flower. Repeatedly, the beetle rose on its hind legs and waved in protest.

On Tuesday the 27<sup>th</sup>, Dr. Stephanie Smith and Rick Boeth led a Butterfly Walk and Talk, which began with a slideshow in the auditorium, to the garden. The weather was hot but good for butterflies and even a Hummingbird Moth, along with a tiny Pearl Crescent on a yellow coneflower. Dr. Smith, left, posed with some of the more than 30 attendees enjoying the event.

## GETTING TO KNOW YOU!

Our guest minister this week is the **Rev. Helen White!** Rev. Helen joined the staff of Christ Church in Savannah, Georgia in May of 2015 where she is involved in many aspects of ministry with a focus on Formation for children, families, and adults. On the Diocesan level, Helen currently serves as a chaplain for Clergy Spouses and an Examining Chaplain. Prior to serving at Christ Church, Helen served as the Vicar at All Saint's on Tybee Island, and the Assistant at St. George's in Savannah. She is a graduate of Virginia Theological Seminary (MDiv), Georgia Southern University (MEd) and Furman University (BA in Religion). Helen is married to the Rev. Michael White, the Rector of Christ Church, Savannah. She is the mother of two sons, Ethan and Jay. Ethan is a recent graduate of Sewanee and has been working at the Assembly this Summer. Jay is a rising sophomore at Princeton University. Helen is also related to the Malone family, who are longtime members of the Assembly.

Our spotlight this week is the **Knopf/Duncan family!** Chris and Lyn Knopf (on the left in the picture below), first started coming to the Assembly around 25 years ago during the offseason. They found out about the Assembly through the Crais family. Stuart was a school friend and his mother Nancy was Chris' Cub Scout leader. Once they had Duncan (back, center), they began coming during the season as well. It was here at the Assembly that Duncan and his sister Evey (front-center) learned how to ride bikes. They now share Cottage #163, "Worth the Wait", with Lyn's parents, Jack & Judy Duncan (at right in photo). The Knopfs live in Franklin, TN where Chris is the CFO at Stansell Electric, Lyn owns a marketing agency, and Duncan and Evey attend Battle Ground Academy. Jacky and Judy live in Birmingham, AL where Jack is Professor & University Scholar Emeritus at UAB. Here at the Assembly, they serve in a variety of roles; Chris serves on the ARC & Finance Committees, Lyn serves on the Youth & Platform Committees, as a Woman's Association Officer, and has previously served as a Long Range Planning Committee member, Judy and Jack serve on the Chapel & Archive Committees, Duncan is the Snack Shop Manager, Evey is a Buzzard. Along with their Basset Hound, Winston, the Monteagle is a very special place for the whole family!

## CHAPEL HAPPENINGS

I hope everyone has enjoyed our Chapel offerings this season. The Assembly provides a wonderful opportunity for Christians from different places and traditions to come together and worship. This diversity allows this place to develop its own unique traditions of worship that might not happen anywhere else. Learning about these traditions, while imagining fresh ideas to intentionally develop our Chapel services in new ways, has been a wonderful experience. I feel so fortunate to share in these memories over the summer: the Candlelight Service on the Fourth of July, the Animal Blessing, Bible Week lectures, Twilight Prayers, Thursday Morning Prayers, Adult Bible Study, Sunday School on the Porch, along with hymns, the Montegale Benediction, Harmony Bell Ringers, Youth Week, and countless opportunities for our youth to gather and grow together in Christ. So many of you have shared memories from the past, and have been gracious in discovering our fresh offerings this summer. We made some changes, particularly to Twilight Prayers, to address requests from the Denominational Caucuses to provide broader musical offerings and continuity from week to week. Our goals are to allow for each week to be shaped by the visiting minister, to preserve MSSA traditions, and to introduce new ideas for what we might cherish into the future. At times each of these goals can be in conflict, but with prayer and discernment, we carried forward. Our visiting preachers shaped our time together on Sunday mornings, at discussions in the Writer's Grove, with reflections at Twilight Prayers, and hopefully meaningful fellowship between scheduled services. We carried on the services and traditions that I listed above. We also developed an order of service for Twilight Prayers, and invited guest musicians to share musical traditions, like Taize, that are new to the Assembly. A lot of work goes into coordinating the parties that work to make these things happen, and I have found it very rewarding. I must share my gratitude to the Chapel Committee Chair and Volunteers, our Chapel Chancellor, and to all of you for helping us hold true to the past while we move into the future. After a long year not being able to gather, it has been wonderful to worship together again.

Peace be with you,

Richard Ahlquist, Platform Family Ministry Coordinator

### Adult Bible Study

The adult bible study on Thursday at 9 a.m. follows the Morning Prayer Service at 8:30 in Warren Chapel. Weeks 5-8 will explore II Samuel and the Book of Acts, the latter takes up Luke's story from the Ascension through the early church.

### Twilight Prayers

Twilight Prayers attracts many of the Assembly who seek to close another day by listening to scripture, saying prayers, and singing together. The young ones (sometimes in their pj's) enjoy the little battery candle they hold through the service. Every Monday night features music from the Taizé Inter-denominational Community in France. Each Wednesday Nashville singer and guitarist Bea Troxel leads the music, and on Thursdays the intergenerational RING! bell choir plays. If you haven't joined your neighbors in night-time prayers, come join us for a beautiful end to a busy day.

The Monteagle Sunday School Assembly was organized by Charter issued by the State of Tennessee on October 4, 1882 for the purpose of: "... the advancement of science, literary attainment, Sunday School interests, and the promotion of the broadest popular culture in the interest of Christianity without regard to sect or denomination."

The Mission of the Monteagle Sunday School Assembly is to be a welcoming community of Christian faith where people gather to engage in spiritual growth and renewal, lifelong inquiry and learning, recreational and cultural enrichment, while being good stewards of our natural resources and our Assembly heritage.
