From the Executive Director

Harton Hall is the heart of the Assembly's daily activities. It serves not only to nourish our bodies, but it feeds our need to connect with family and friends, new and old. For 16 seasons, Emily Frith has provided our members and guests with terrific food and culinary programs, but Emily is more than a chef. She oversaw the transition of our dining program into a thriving dining room full of life and laughter.

She also presided over the physical transition of the kitchen, dining room, restrooms, and terrace.

I am pleased to announce that in recognition of Emily's dedication to all things Harton Hall, the kitchen will be named in her honor as a lasting thank you for a job superbly done.

Thanks for the Memories!

Dear friends, As I step down from the helm at Harton Hall, I have mixed emotions. What a ride it has been! Over 16 adventurous summers, I've seen Harton Hall come alive as the gathering place for so many of you, from the youngest to the oldest.

There are people I especially want to thank. My family (Jim, Mac, Davidson) has been integrally involved over the years, and I could not have done this job without their love and support. Scott, Rick and the crew have always been quick and cheerful to respond to the never-ending little issues of an aging facility with restaurant equipment. Matt Combs from SYSCO has been a faithful, reliable friend for over 20 years. I literally could not have run Harton Hall without

Deanna Caldwell for the last five summers.

Over the years, so many Assembly members stepped in. Past Harton Hall chairs Bill Beard, Jean Jervis, Regan Greer and their committees gave many hours of their summers helping at the lunch table. And I can't forget the farmers from the mountain and the valley who have supplied us with an incredible amount of fresh local produce. This summer alone we processed over 1,000 pounds of tomatoes, 400 pounds of squash, and 20 gallons of blueberries, just for starters.

Yes, that kitchen has cranked out an awful lot of food, made with the hands of countless talented people from near and far. For 16 summers I've also been blessed with a delightful, enthusiastic, intelligent

young staff—many from the Assembly, but also from SAS and the local community. They are the ones that made each day worthwhile, and it's been a real pleasure to keep up with many of them and watch them grow into excellent young adults. Hopefully they picked up a few tips.

Most of all, I've had the privilege of serving you. I've known and loved so many of you practically my entire life. I will miss the all the people of Harton Hall more than you know. But it doesn't mean you'll never see

me again. Even if I won't be able to help with special events during the season, I'll still be helping with weddings and special events out of season when I can. And you'll hopefully find me taking up some new hobbies (pickle ball? Mah-jong?) nurturing some old hobbies (painting, hiking, gardening, reading, writing, and maybe even cooking for fun) during the season as well.

Thank you all for everything. *With much love and a grateful heart,*
Emily Frith

SAFETY FIRST

The MSSA security team is at your service. If you have any emergency --medical or otherwise-- call 911, but our seasoned team is here to help for non-emergency situations. If you have a safety issue or see suspicious activity anywhere on the grounds or at the Point, don't hesitate to call (931) 607-8615 after 5 pm or call the office during business hours. There are no silly concerns--it's better to call and quell your fears than to let something go because you are afraid of a false alarm.

Consider putting the security number by your home phone and/or plugging it into your cell phones.

Kids got cell phones? Plug the security number in those too.

Together we'll keep MSSA the safe haven it is!
