FROM THE PRESIDENT: ‘NEW’

“New” is not a word that immediately comes to mind when you think of MSSA, but it was this week! First, what a wonderful new tradition has been started by Frannie Smith and the Chapel Committee. The potluck dinner at Warren Chapel Monday night was a huge success. Between the Neelys’ fried Gulf fish, Virginia Curry’s banana pudding, and the inspiring gospel music from the W. Crimm Singers, all who attended (more than 100 people!) were treated to a wonderful night of fellowship, good food, and wonderful music. Thank you to Frannie and her entire committee for coming up with this great idea. I can’t wait to see what’s in store for next Monday night!

Also “new” this week is the newly renovated Nashville Home. Wow! What an amazing job that committee did to give our youth staff an updated, air-conditioned, and beautifully-decorated place to stay. Scores of youth will enjoy this new space for years to come. Thank you to all who donated to the annual fund to make this project possible, to the Youth Committee for all their help and to our capable renovation committee: Ellie Billington, Mary Ellen Lovell, Jamie Green, and Jack Arnold.

Last, but certainly not least, is our “new” pool bridge. Not only is it beautiful and built to last for decades, but it was finished on time! A truly amazing feat. Thank you to Scott and to Amanda Moody and the Property Committee for overseeing this project and to our expert builder Joseph Sumpter and his amazing crew. Please join us immediately after church on Sunday for the dedication.

We are truly blessed to be able to enjoy this wonderful place.

— Overton Thompson III, MSSA Board President

PROGRAM BOOK FUN!

Bruce Arntson, one of the songwriters performing Friday night, wrote, composed, and acted in an unexpected TV series after moving to Nashville from rural Minnesota. Find out which one on p. 81.

YOUTH UPDATES

The youth are an integral part of the Assembly, and many consider Monteagle a place where children can develop both spiritually and physically in a safe environment. Programs for children ages 3-18 are available throughout the summer. Please see the program book, pages 10-15 for guidelines, policies, and rules.

Week Two is upon us and we are all ready to go! The staff has been busy working with our youth and enjoying making meaningful memories with them. They are so excited to be part of our team and I know that they will be inspiring our young people this summer. Many of our staff grew up attending our program. It is such a full circle moment to see staff members leading former staff members children and grandchildren. This is just a piece of the magic that we call MSSA.

Nashville Home : Our grand lady on the corner of the mall is looking marvelous. Thank you to Ellie Billington, Mary Ellen Lovell, Jack Arnold, and Jamie Greene for all of their hard work. On July 2, we will be having a fundraiser to help raise funds to maintain this special house. At that time, we will let people get a glimpse of the common rooms and view before and after photos. In the meantime, please do not enter the home to take a peak. Please remember that staff members are in residence and we need to respect their privacy. Last week someone walked into a staff member's room while they were napping. At this time, only staff members can be in the house.

Please ALWAYS check the Youth Bulletin board and DO attend the Tuesday parent's meeting. Please note that our caving excursions will leave earlier than the 2:30 pm departure time stated in the program. In order for the children to get a richer experience, we have extended the time for these trips. All changes, will be addressed on the youth bulletin board, in *Mountain Voices*, and at the parent's meeting. We will also be adding additional activities each week. Thank you in advance for understanding. We hate changing anything in the program however, some opportunities do come up after it is printed. Our thoughts are always on how we can make the summer better!

Thank you for all that have helped and supported our program. It does take a village to make things work and run. Enjoy the week and hold on to every moment.

— Susan Acker, Youth Superintendent

FROM THE YOUTH DIRECTORS

This past week was a great kickoff to our summer season! We jumped straight into our youth programming with everything

from Games and excursions to Campfire and progressive suppers, and we had a blast doing it all!

We especially want to thank everyone who provided food for our youth and staff this week through progressive suppers- Ellen Fort, Bessie Doffermyre, Maggie Whitt, Tiffany Carr, Virginia Curry, Anne Byrn Floyd and Caroline Wildman, we appreciate you all so much!

Also, many thanks to all of the parents who signed up to drive Eaglets and Eagles on excursions this week! This is a very important role in our youth program, and we are so grateful to you all!

Another big thanks to Susan Acker for working so hard on everything behind the scenes! She is the backbone of the youth program and is a large

reason why our season has started so smoothly. Her work does not go unnoticed, and we are so thankful for her!

It has been such a fun week, and we cannot wait for an incredible summer!

I also thought it'd be fun to include a little joke every week somewhere in the youth section. Here's one for this week:

Joke of the Week: Why does an ant not get sick? Because it has little ANT-ibodies!

—Grace Ann Davis, Youth Director

HUMMINGBIRD CORNER

Hello there! This summer, the Hummingbird Program is lead by Isabella Randolph, Meriwether Jacob, Lotti Watson, Libbie Young, and Greta Whitt. We are so excited to meet you and get to know your children. When sending your child to Hummingbirds, please bring a water bottle for them. This heat is no joke! We prefer if parents would remain outside the room, as we are trying to create a space that is special and unique to the Hummingbirds.

This week will our theme will be "Halloween in June". Our

Lastly, if you are in need of a babysitter contact us! A list of our phone numbers will be available at the office, Hummingbird room, and on the Youth Bulletin Board

HOUSING QUESTIONS? ASK RHONDA!

Should you have concerns that your cottage has not rented to your satisfaction during the season or off-season, contact the housing office to discuss your options. If you are willing to consider offering your cottage for 3-day rentals, negotiate or prorate rentals, or if you have questions about your rentals, call Rhonda.

The housing office can also help if you want to rent a golf cart during the season!

The housing number is (931) 924-9000.

PREPARED FOR PICNIC?

Did you notice last summer that your July 4th picnic table is a little worse for the wear? If you are ready for a new picnic table, you can purchase one or more from the office for just \$110 each by June 20th (rentals are also available for a wallet-friendly \$25 per day). The tables are 8 feet long and seat eight people comfortably. They are also made of hard plastic, so you can invest in picnic perches for years to come. If your saw horses and plywood are folding under the weight of fried chicken and chess pies, it might be time for an upgrade! Contact Becky in the office for more information: becky.hammond@mssa1882.org.

SAFETY FIRST

The MSSA security team is at your service. If you have any emergency--medical or otherwise--call 911, but our seasoned team is here to help for non-emergency situations. If you have a safety issue or see suspicious activity anywhere on the grounds or at the Point, don't hesitate to call (931) 607-8615 after 5 pm or call the office during business hours. There are no silly concerns—it's better to call and quell your fears than to let something go because you are afraid of a false alarm.

Consider putting the security number by your home phone and/or plugging it into your cell phones.

Kids got cell phones? Plug the security number in those too.

Together we'll keep MSSA the safe haven it is!

BEWARE OF THE WILDLIFE

Be aware of the wildlife living with us on the Assembly grounds. Skunks normally do not spray unless threatened. If you see one, slowly back away. Snakes are found around the creek and in rocky areas. Do not antagonize them. Coyotes have been spotted in the Assembly previously; increased activity may cause them to leave the campus, but we must all be mindful of letting small pets roam at night. Raccoons are everywhere. To avoid unwelcomed surprises, secure your garbage cans to prevent raccoons from rummaging through your trash.

PRODUCE MARKET ON THE MALL

Take advantage of the produce market every Thursday during the Season from 7 -10:00 am. You'll find everything from homemade bread & desserts, jams & jellies, fresh eggs & produce, and cut flowers to arts & crafts.

PROGRAM CHANGES & UPDATES

Lauren Laurino will substitute for Sara Yarworth on Thursday this week.

Lisa Rung will be offering Body Groove adult fitness classes on Fridays. Wondering what this is all about? Here's a description: "Body Groove is the super-fun dance workout that is designed for every body! Body Groove workouts take easy dance moves and let you make them own, adding your own style and personality, and making every movement perfect for your body. Not coordinated? No worries. Not a dancer? That's okay. No rhythm? No one cares."

CONTINUE THE CONVO

We're setting aside a table in Harton Hall for our morning speakers—and we need your help! Look for the sign inviting you to "continue the convo," and provide that uniquely Monteagle hospitality by having lunch with our guests.

The Monteagle Sunday School Assembly was organized by Charter issued by the State of Tennessee on October 4, 1882 for the purpose of: "... the advancement of science, literary attainment, Sunday School interests, and the promotion of the broadest popular culture in the interest of Christianity without regard to sect or denomination."

The Mission of the Monteagle Sunday School Assembly is to be a welcoming community of Christian faith where people gather to engage in spiritual growth and renewal, lifelong inquiry and learning, recreational and cultural enrichment, while being good stewards of our natural resources and our Assembly heritage.
