FROM THE PRESIDENT: CELEBRATE OUR YOUTH STAFF!

I recently read an article about the “dismal state of America’s teens and young adults.” I thought to myself that the author had clearly not been to the Monteagle Sunday School Assembly.

Barry and I had the privilege of hosting our new, youth staff for dinner during orientation week. What a pleasure it was to greet old and new staff members who were engaged, funny, cheerful, and appreciative with wonderful manners! It was so heartening to hear them talk about their plans for the summer, and how they were just as excited as I knew our children would be.

Week 1 was incredibly busy and fun!

Please take a moment to do two things: Walk by the Auditorium at the start of games to hear the laughter, excitement and chatter as the staff gather the children to join each of their respective bird groups. Second, introduce yourself to our youth staff and thank them for the incredible start to what will be an incredible summer!

I look forward to my summer on the Mountain with each of you. There is no better place to be.

— Amanda Moody, President

FROM THE ARCHIVES: THE CARRÉ SPOON!

This past winter, the Archives Committee received an inquiry about information concerning Elvira Beach Carré (Mrs. William W. Carré) of New Orleans, LA, from her great grandson, Darwin Beach Carré III. Mrs. Carré bought Cottage #105 in 1905 to escape the New Orleans summer heat and to participate in the religious activities of the Assembly. She remained very involved in the Assembly for 15 years. During her tenure, the cottage was named Carré Villa, but today it is known as Highland Villa.

After several weeks of sleuthing, we found information on Mrs.

Carré and the cottage. Mrs. Carré was president of the Woman's Association from 1908-1916. In response to a questionnaire sent out for the Centennial Celebration, Isabel Carré Preston (Mrs. William Preston, born 1901), her granddaughter, said, "I have a souvenir spoon given to me by my grandmother on my eighth birthday with an etching in the bowl of the Woman's Building. She was one of the presidents." The spoon is engraved on the back of the bowl with the name of

Elvira Carré son, Darwin Beach Carré, May 3, 1910. It is thought by the family that perhaps each child was given a teaspoon in celebration of her involvement in the Woman's Association.

Her great grandson donated the spoon to the Assembly in her honor, for which we are very grateful. The spoon is on display in the Pulliam Center for the season.

MONDAYS: PEACEFUL PRACTICE AT THE POINT

I'd love for you to come join me for Peaceful Practice at the Point on Monday mornings at 10:15 at Warren Point. This time is open for all adults. Bring a journal, pen, something to sit on and perhaps bug spray.

I'm a spiritual director with my own practice in Nashville and will be leading the time with different contemplative practices each week through poetry, scripture and imaginative exercises.

We will have some time together as well as time individually in silence. My hope is for this to be a slow and reflective time for each person to listen and be open to how God might be speaking to you. I hope to see you there!

PREPARED FOR PICNIC?

Did you notice last summer that your July 4th picnic table is a little worse for the wear? If you are ready for a new picnic table, you can purchase one or more from the office for just \$125 each by June 20th (rentals are also available for a wallet-friendly \$35 per day). The tables are 8 feet long and seat eight people comfortably. They are also made of hard plastic, so you can invest in picnic perches for years to come. If your saw horses and plywood are folding under the weight of fried chicken and chess pies, it might be time for an upgrade! Contact Becky in the office for more information: becky.hammond@mssa1882.org.

BEWARE OF THE WILDLIFE

Be aware of the wildlife living with us on the Assembly grounds. Skunks normally do not spray unless threatened. If you see one, slowly back away. Snakes are found around the creek and in rocky areas. Do not antagonize them. Coyotes have been spotted in the Assembly previously; increased activity may cause them to leave the campus, but we must all be mindful of letting small pets roam at night.

Please secure your garbage cans! There is a critical critter problem (raccoons and foxes especially) and garbage is everywhere!

YOUTH UPDATES

The youth have been an integral part of the Assembly from its beginning, and many consider Monteagle a place where children can develop both spiritually and physically in a safe environment. Programs for children ages 3-18 are available throughout the summer. Please see the program book, pages 10-15 for guidelines, policies, and rules.

Week one has come to an end and it was such a great start for the 2024 season! The Eaglets had an exciting week with not one, but two excursions including caving at Pryor Springs! The eagles enjoyed Fiery Gizzard, while the Buzzards and Falcons adventured to Walls of Jericho and Greeter Falls. We had two special youth events this week, the hayride and the decades dance, and the kids had a great time with each other and the staff!

I would like to thank many people for making the first week a success. First, I would like to thank Amanda Moody, Anne Dennington, Ellen Fort, Mary Enoch, and Anne Taylor for hosting our progressive suppers! Thank you to Amanda Moody, Maggie Arnold, and Bradley Mims for being our guest readers this week for storytime! Last, I would like to thank all of the parent drivers for our excursions. These activities would not be possible without all of you!

Week 2 is on the horizon and there are lots of fun activities planned! The theme for our hummingbirds this week is Wild Animals! There will be crafts, stories, and activities that are based on this theme! The Eagles will be caving on Wednesday at Pryor Springs and departing from the front gate at 1 pm! As always, proper attire/gear are required and will be posted on the bulletin board. This excursion is led by our caving expert, Joey, as well as assistance by our wonderful youth staff. Caving excursions are always our youth's and staff's favorite!

Our first Buzzards/Falcons overnight is Friday-Sunday. This is a backpacking trip that will be more advanced and will require certain gear. A packing list will be posted on the youth bulletin board on Sunday at 7:30 pm. Make sure to check the youth bulletin board for all youth activities and excursions!

We are currently collecting donations for the youth program this summer, as well as community outreach beyond the mountain. The items we are collecting are as follows:

- Candy for the Fourth of July parade

- School supplies and small athletic games for Evey Knopf's outreach trip to Asia
- Cardboard boxes for upcoming arts and crafts

All donations can be dropped on the Nashville Home Porch. Thank you so much for your help!

— Anna Kate Tibbs, Youth Coordinator

YOUTH BULLETIN BOARD & PARENTS' MEETING

Reminder: You should always check the youth bulletin board!!!

Please check the bulletin board located by the Auditorium for additions and details about our weekly programs. Also, plan on attending the weekly Parents' Meeting each Tuesday for information about weekly activities. Some excursion times may change, but the most current information will always be at the bulletin board. We will always try to keep true to the program, but sometimes changes need to be made because of weather or logistics that come up after the program was printed.

SUPPORT YOUR LOCAL TRAILS

With the acquisition of Sunset Rock, we have the opportunity to reimagine our current trail system—which includes Waldrop Woods and the East and West trails—and connect them to an expanded trail system. The trail committee has been studying and researching, and exciting plans are in the works.

Help us make the trails all they can be by joining us in the gym on Saturday, July 6, at 7:45pm for the annual fundraiser! The event will feature an auction, light nibbles, drinks, and the Answer Band! Wear your dancing shoes!

As you start packing for the Mountain, please make room for items to donate to the auction. You can email Laurie Peacock (laurie2925@att.net) or text her at (214) 862-3139 with donation details.

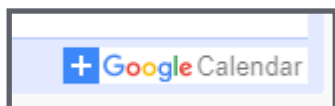

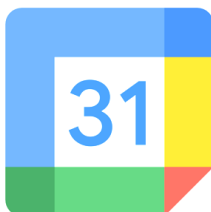

For more information on the Assembly trails, see page 6 of the program book.

We appreciate everyone's help and look forward to a fun evening!

WEEK 2 PLATFORM PREVIEW

The Rev. Guy Erwin joins us this week as the Wayne & Virginia Jarvis Bible Week lecturer. The focus of his Bible Week talks is “The Gifts of Sacred Encounter: Scripture, the Artistic Imagination, and the Pilgrimage of Faith.” In his presentations, Erwin will reflect on four texts from the Gospels and Acts that give us vivid descriptions of encounters “on the road” that changed those in the story and are meant to change us as well. Images created by artists—both ancient and contemporary—add a visual component and a powerful perspective on well-known stories. A church historian by training, Erwin was trained to rely on documents and the analysis of texts. Over his career, he has branched out toward the visual arts and material culture as sources for historical study. This had led him to incorporate art—especially paintings and prints—into almost all his lectures.

Vanderbilt University political historian Eli Merritt speaks Thursday evening to share a work-in-progress he calls “a general theory of democracy,” which he described in his recent Substack newsletter as asserting “that checks & balances against the rise of demagogues and authoritarians to executive power are co-equal in importance with the will of the people in sustaining a democracy.” He argues that the Republican Party nominating Donald Trump as its presidential candidate twice (soon for a third time) represents a “fatal flaw” in American democracy, a “gross defect in our system—in both parties, it is important to understand—that must be remedied, or else our democracy will continue its preventable downward sputter into corruption, violence, and authoritarianism.”

Singer/songwriter Bradley Cole Smith is a fixture in the Atlanta music scene since the 1990s. His latest album, *The Hilltop*, features a lush, rootsy landscape with diverse instrumentation. Saturday evening, Smith brings his music to the Mall Gazebo for “A Night Under the Stars with Bradley Cole Smith.” Visitors are invited to bring lawn chairs or picnic blankets, as Mall seating is limited, and enjoy an evening of music starting at 8:00 p.m.

A WONDERLAND OF FAMILY TIME

It's such a quintessentially Assembly thing, the idea of a garden party themed on *Alice in Wonderland* for a 6-year-old girl and her Mountain friends... and that's exactly what it was when April Guin decided to throw her granddaughter a charming party last summer (see pictures). But I've started in the middle of the story, so let's rewind a bit...

April and David first came to the Assembly before their son John (a Sewanee alumnus) started his freshman year on the Mountain, not quite knowing what to expect. They stayed at the Edgeworth Inn for the weekend and thought, "This is so neat!" Brand-new to the idea of Chautauquas, the Guins learned more about the roots of MSSA and the summer programming while their son was at Sewanee, during which time they rented a cottage for several occasions.

It was as COVID restrictions were easing that they decided to bring their son, daughter-in-law Laura, and grandkids Harrison and Grace to Monteagle for a family vacation.

Three generations of the Guin family at MSSA. Photos from April Guin.

That first year, the Guins made many memories. They went to a lecture with Bill Haltom, where Bill was talking about the history of the women's voting-rights movement. It was "the first time I'd ever seen pickleball being played, and it piqued my interest," says April. David went to a butterfly workshop with Stephanie Smith and Rick Boeth, and he now has a beautiful butterfly garden at their Alabama home. They enjoyed a farm-to-table dinner, spent time as a family at the swimming pool, and just ... knew. This was their family summer vacation.

That was in 2021, and they've come every summer since—it's April and David's Christmas gift to the kids and grandkids.

This year, the grandkids are both going to be part of the youth programming. Four-year-old Harrison will be a Hummingbird, and seven-year-old Grace will be an Eaglet. April is excited to throw Grace another imaginative party, which she's thinking will be themed around the *Wizard of Oz*, a movie Grace recently watched for the first time and loves. (Apparently, there's a Pinterest board involved.)

But the moments April truly treasures in Monteagle come at nighttime, after dinner, when you can walk around the Assembly grounds and see people sitting on their porches with friends and neighbors, spending time in community with others without the need for technology or entertainment. "I just love that," April says. "Such a cozy time."

— Liz Norell, Platform Assistant

April put together a creative Alice in Wonderland-themed party for Grace last summer. This year? The Wizard of Oz is the goal!

SAFETY FIRST

The MSSA security team is at your service. If you have any emergency--medical or otherwise--call 911, but our seasoned team is here to help for non-emergency situations. If you have a safety issue or see suspicious activity anywhere on the grounds or at the Point, don't hesitate to call (931) 607-8615 after 5:00 pm or call the office during business hours. There are no silly concerns—it's better to call and quell your fears than to let something go because you are afraid of a false alarm.

Consider putting the security number by your home phone and/or plugging it into your cell phones.

Kids got cell phones? Plug the security number in those too.

Together we'll keep MSSA the safe haven it is!
