TIME MOVES QUICKLY WHEN IT'S MEANINGFUL

Week 8! Another season has almost come and gone, and I find myself once again asking that familiar question: How did it all pass so quickly? One moment we are watching children race across the Mall, listening to laughter echo from porches, and admiring the quiet beauty of our grounds... and the next, we are packing cars, lowering flags, and promising each other that we'll be back on the Mountain before we know it. If the years seem to move faster, I'm convinced it's because each one is filled with so much meaning.

As I reflect on my two years serving as President of the Board of Trustees, I am overwhelmed with gratitude. It has truly been one of the greatest honors of my life. This Assembly—our Assembly—is not simply a place we visit. It is a living, breathing legacy. It belongs to the generations who came before us, those who built our traditions with care and intention. Just as much, it also belongs to those who will come long after we are gone, those who will inherit the joy, the stewardship, and the responsibility of keeping this sacred place thriving.

During my tenure, I have tried to serve the Assembly with openness, transparency, and deep respect for its history and its future. I hope I have done that well. I hope I have listened when listening mattered, acted when action was required, and encouraged participation from every corner of our community. The Assembly runs on the power of volunteers, committees, and countless individuals who give their time, creativity, and energy. Watching that dedication up close has been nothing short of inspiring.

From the quiet, behind-the-scenes work of committees who keep our grounds beautiful, our guests welcomed, our communications polished, and our long-term planning thoughtful...to the spirited conversations about how best to preserve and enhance our beloved spaces...every effort has reminded me that this place is extraordinary because you make it extraordinary.

I am grateful for every idea shared, every concern voiced, every moment someone stepped forward and said, "How can I help?" That spirit—your spirit—is what ensures the Assembly remains "steeped in history and ready to embrace the future," just as we have always promised.

As the flags lower and the season settles into memory, please know this: the Assembly is well loved, well cared for, and forever ready to welcome you back. Serving as your President has been a privilege beyond measure, and I carry that gratitude with me into every season ahead.

WEEK 8 PLATFORM PREVIEW

Two professors from the University of the South will talk about their research this week. **Dr. Sherry Hamby** will lecture Tuesday morning about her new book, Stronger Than You Think: Building Lifelong Resilience. The book takes a strengths-based approach to overcoming trauma and adversity, based on her own experiences building resilience. Hamby is a distinguished research professor of psychology who has been teaching at the University of the South since 2008. In addition to talking about her research, Hamby is happy to take questions on the process of working with Penguin Random House on publishing a book. Following her morning lecture, she will sign books, which will also be available to purchase.

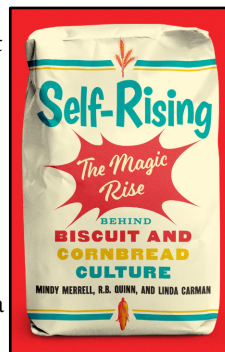

Dr. Melody Lehn joins for a second lecture based on her scholarly work investigating how women use rhetoric in their writing and oration. On Wednesday morning, Lehn's lecture, "On the Basis of Sex: First Ladies and Suffrage," will share insights from her research on

how first ladies—iconic women like Abigail Adams and Eleanor Roosevelt—worked to shape women's rights. Lehn became interested in this topic during the 2008 presidential election, when friends pressed her to pay attention to the campaign. After seeing how so many dismissed or neglected Clinton's work during her time as first lady, Lehn said on a podcast about first ladies that she felt "indignation" at that erasure. From the 1848 Seneca Falls Convention that launched the women's rights movement to Helen Taft's deft advocacy for women's educational opportunities as a way to round out their femininity (and much more!), Lehn will lead

attendees through this fascinating topic.

Perhaps best known for her reporting in the Tennessean on restaurant industry trends and her weekly column, "Drive Thru Review," Mindy Merrell has built her reputation on her expertise around southern cuisine. She will lecture Thursday evening about her new book, Self-Rising: The Magic Rise Behind the Biscuit and Cornbread Culture, coauthored with R.B. Quinn and Linda Carman. Part history, part cookbook, Self-Rising argues that the introduction of self-rising flour and corn meal gave women more control over their time and table in a way that few other innovations could. Merrell previously published Cheater BBQ: Barbecue Anytime, Anywhere, in Any Weather with R.B. Quinn and two Jack Daniel's cookbooks. A book sale and signing will follow the evening lecture. Merrell will also offer a cooking demonstration based on her book at 3:00 pm Thursday at Harton Hall.

FROM THE COURTS

Another FABULOUS pickleball tournament was held week 7 at MSSA! We gathered on Tuesday evening for a kickoff party and the 2026 teams were drawn. Our Ladies "B" level kicked off the tournament on Monday. Congratulations to our 2026 B Women's champions: Mary Louise Clark and Kelly Wells.

Youth Tennis Tournament

The Youth Tennis Tournament kicked off Tuesday night with a pizza party at Ellie and William Billington's cottage! We so appreciate their hospitality!

This year we had 32 participants, which is a great sign for the future of tennis on the Mountain! At press time, we only had the results of the boy's and girl's singles. Julia Price won the girl's singles, and Elle Verner was the runner-up! William Billington won the boy's singles, and William Green was the runner-up.

In girls' play, Julia Price and Eleanor Newman came out as winners in the Girl's Doubles, with Tigerlilly and Sadie as runners-up. For the boys, William Green and William Billington won the boy's doubles, with Robert and Sims as runners-up. Great job everyone!

What a great start to a great tournament! I also want to send a special shoutout to Ceci Billington and Diana Newman and Louise Beasley for organizing and running the tournament!! We also appreciate all the tennis moms who pitched in to make sure the tournament ran smoothly! Thanks again to our fabulous village!

FROM THE MINISTRY COORDINATOR

As we enter Week Eight, it is hard to believe that another summer season at the Monteagle Sunday School Assembly is drawing to a close. These final days offer us an opportunity to slow down, give thanks and appreciate the people, traditions and shared experiences that make this community so special.

This week, we are pleased to welcome The Rev. Justin Crisp to the Assembly. Through his leadership in worship and preaching, we look forward to a meaningful conclusion to our summer chapel season. Week Eight provides a fitting time to reflect on the ways faith has shaped our time together and to carry the lessons of the summer back into our homes, churches and communities.

Throughout the season, the Chapel has remained at the heart of Assembly life. Worship, prayer, music, thoughtful conversation and quiet moments of reflection have brought generations together beneath its familiar roof. From Sunday services to the many gatherings held during the week, the Chapel continues to remind us that MSSA is more than a summer destination. It is a community grounded in faith, fellowship and service.

As cottages begin to close and families prepare to leave the Mountain, may we carry with us gratitude for another season together. We give thanks for our ministers, musicians, volunteers and everyone who has helped make the Chapel's ministry possible.

May these final days be filled with joy, meaningful conversation and a renewed appreciation for the bonds that bring us back to Monteagle year after year.

Blessings,
— Mary Balfour Van Zandt, Chapel Committee Chair

THE WEEK 8 BLUES

I've got the Week Eight Blues
I've gotta put on my shoes;
I gotta go back to school
I gotta follow the rule
I can't jump on my bike
I can't go take a hike
I gotta tell folks good-bye
I gotta try not to cry
I'VE GOT THE WEEK

SORRY, JIMOTHY, THIS IS NOT YOUR PLACE.

Be aware of the wildlife living with us on the Assembly grounds. Black bears have recently been spotted in Monteagle. Skunks normally do not spray unless threatened. If you see one, slowly back away. Snakes are found around the creek and in rocky areas. Do not antagonize them. Coyotes have been spotted in the Assembly previously; increased activity may cause them to leave the campus, but we must all be mindful of letting small pets roam at night. As much as we can cheer Jimothy on from afar, let's ensure our grounds stay clean and safe for all! **Please secure your garbage cans!**

ICYMI: Jimothy, a Seattle-area raccoon with a presumed spinal deformity, has become an internet sensation this month. We celebrate his resilience...from afar.

HELP US REUNITE A BAZAAR SHOPPER WITH HER STUFF!

A young woman (maybe 30ish?) who was visiting someone at MSSA—possibly a friend, possibly a family member—left some items behind while she continued shopping, and another shopper accidentally took them home. We have located the missing items and are hoping to reunite them with their owner! If you know who they belong to, please contact the MSSA Office.

YOUTH UPDATES

The youth have been an integral part of the Assembly from its beginning, and many consider Monteagle a place where children can develop both spiritually and physically in a safe environment. Programs for children ages 3-18 are available throughout the summer. Please see the program book, pages 11-16 for guidelines, policies, and rules.

Week 7 was full of adventure and fun with activities for all ages. The Eaglets and Eagles explored caves, and the Buzzards & Falcons enjoyed going to waterfalls. Not only were there fun excursions, but it was also Youth Tennis Week. Thank you to Ceci Billington, Jane Jackson, and Louise Beasley for organizing this great event, as well as all the parents volunteers! We appreciate all that the parents do to keep these wonderful traditions alive. Also, congratulations to our youth tennis tournament champions as well!

There are a few people that I would like to thank that made this week possible. Thank you to our progressive supper volunteers: Ceci Billington, Rachel Kennedy, Elizabeth Walker, Rachel Weingartner, Lindsey Price, Bessie Doffermyre, Margaret Humbracht, and Mary Graf! Thank you to our Hummingbirds and Eaglets Storytime Readers Bessie Doffermyre and Tori Thomas! Lastly, I would like to thank the parents that volunteered to drive the children on excursions! Without our parent volunteers none of this would be possible! A special shout out to the people who made this year's Youth Tennis Week and tournament unforgettable! Your hard work for the scheduling, organizing, and kick-off party is very much appreciated. Thank y'all for giving your time and energy to let this happen!

As Week 8 approaches, there are many excursions and activities for our youth. Please see the Youth Bulletin Board for excursions, packing lists, and any changes. There will be a hayride for Hummingbirds, Eaglets, and Eagles Tuesday evening to end the summer right. Hotdogs and hamburgers will be provided for the youth attending. For excursions, the Eaglets will go to Blue Hole at Greeter, and the Eagles will go to Sycamore Falls. The Buzzards & Falcons will go to the drive-in movie in Tullahoma on Tuesday, and they will have the annual Ocoee river trip where they will have an overnight on Friday and raft down the river on

Saturday. There are limited spots available. Payment, registration, and the waiver is available at the office. The season ends with our annual luau at the pool! Don't forget to cast your votes for luau king and queen in the snack shop!

As I reflect on the summer, I feel full of appreciation for all of the staff, parents, and youth. I have thoroughly enjoyed the summer and am so grateful to have had another summer in Monteagle! Thank y'all for making this summer great!

"And Samuel said to the people, 'Do not be afraid; you have done all this evil. Yet do not turn aside from following the LORD, but serve the LORD with all your heart. And do not turn aside after empty things that cannot profit or deliver, for they are empty. For the LORD will not forsake his people, for his great name's sake, because it has pleased the LORD to make you a people for himself.'" — 1 Samuel 12:20-22

Christian Coordinator

ROAD RULES APPLY TO BIKES, TOO

Last week, a longtime member had a harrowing experience while turning up the hill toward the gate. A young man on a bicycle came flying down the hill, going the wrong way. Nobody was hurt, but this could have ended very differently and badly.

Parents, please ensure your children are aware of all one-way rules and adhere to them. The posted speed limits apply to everyone. Only because the driver was alert was a serious accident averted.

A GENTLE REMINDER ABOUT QUIET HOUR (AND A HALF)

Quiet Hour (and a half) is one of our Assembly's longest-standing traditions, dating back to the earliest days of our community. From 1:00-2:30 pm, we ask everyone to help preserve this special time by keeping the grounds quiet and peaceful.

This is an opportunity for families to rest, read, nap, or simply enjoy a slower pace before the afternoon activities begin. Please help us honor this tradition by avoiding playgrounds, group games, golf cart rides, and other activities that create noise during Quiet Hour.

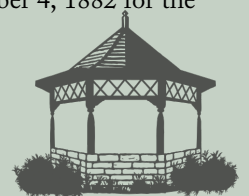

Thank you for helping make this treasured Assembly tradition possible for everyone.

This photo from the Cottage Tour & Bazaar perfectly captures our Week 8 sentiments. Photo from Rick Boeth.

The Monteagle Sunday School Assembly was organized by Charter issued by the State of Tennessee on October 4, 1882 for the purpose of: "... the advancement of science, literary attainment, Sunday School interests, and the promotion of the broadest popular culture in the interest of Christianity without regard to sect or denomination."

The Mission of the Monteagle Sunday School Assembly is to be a welcoming community of Christian faith where people gather to engage in spiritual growth and renewal, lifelong inquiry and learning, recreational and cultural enrichment, while being good stewards of our natural resources and our Assembly heritage.

GOAL: NO PACKAGE LEFT BEHIND

When you're packing up your belongings, don't forget to swing by and collect any mail or packages still taking up residence in our office porch!

MEET THE GATEKEEPERS!

As the 2026 season comes to an end, we'd like to highlight our two gate managers. Our gate manager ladies make sure the gate and gate staff are well taken care of.

First up, is a long-time returning lady, Mrs. **Andrea Cleek**. Andrea has worked here at the assembly at the gate and

inside the office for several years. She has 3 children (2 girls and a boy). Those three children have given her 5 beautiful grandchildren. Outside of

season, Andrea works at a local elementary school as a paraprofessional. She enjoys being with her family and reading during her free time.

Next up is Ms. **Dixie Nunley**. Dixie has been at the gate and in the office throughout her time here at the assembly. Dixie is getting married to her high school sweetheart, Chad of 10 years, this October. Outside of season, she works as a kindergarten teacher at a local elementary school in Grundy County. She enjoys spending time with her fiancé and two kitties: Arizona and Darth. Dixie also loves thrifting, reading, and traveling during her free time.
